It appeared from the article that Barron was trying to "beat the time" of the other Demo-crats and have a reception for his committee at 8 o'clock in the morn ing, while the others had their own at 10 o'clock.

The misunderstanding had its basis, in his announcement to committeemen, which reads as follows:

"All Democrats are urgently requested to gather in a body at the Capitol grounds at eight o'clock on New Year's morning to join in Gov-

Explanations Made.

Barron explained this morning that his reason in asking all Democrats to be on hand at 8 o'clock is to make sure that they would be on hand in time for the 10 o'clock reception. He said that he will also ask the Democrats to assemble at the wharf an hour before the Honolulan arrives. "In this way I will be sure to have

them there on hand," he explained.

The entire plans for the reception and entertainment of Governor Pinkham are made subject to his approval. He has let it be known here that he does not desire a large partisan ova-tion, and so in accordance with his wish the welcoming arrangements and the reception will be largely non-par-
